

# CABOODLETECH

---

Caboodle Tech Inc is a software development company that aims to help businesses and individuals succeed with technology. As the company name suggests we love to work with and seek to help with Everything Technology™.

This is a demo portable document format (PDF) file created to be used with our [JamsEDU](#) application. This document was created so we could demo displaying a PDF using JamsEDU. You should be able to use any PDF document with JamsEDU, including PDFs with:

- Images
- Annotations
- Bookmarks
- External Links
- Password protected PDFs.

We hope you enjoy JamsEDU. If you would like to learn more about the application or contribute to its development please visit the [GitHub](#) repository.

If you would like to stay in touch with Caboodle Tech, sponsor a project, or hire us please visit our company website: <https://caboodle.tech/>
